Global Outlook Norway

A disruptive world – How to balance economic growth,
social development and environmental protection

August 15th 2016, Arendal, Norway

Global Outlook Norway aims to strengthen business, political and academic leaders, by enabling them to be part of the solutions needed for a more sustainable development.

Businesses can and should play a leading role in shaping the global, regional and industrial agendas. Global Outlook Norway will provide necessary knowledge to do so.

Global Outlook Norway is organized by three Norwegian business clusters: Global Center of Expertise NODE, The Eyde Cluster and Maritimt Forum.

The conference is in collaboration with the Norwegian Ministry of Foreign Affairs, and part of the official Arendalsuka program. Arendalsuka is a well-known event of political and societal debate that takes place in Arendal, Norway yearly in August.

**Please join us together with
some of the industry's top
